Emerson, Ralph Waldo, 1803-1882

The course of his life  
was marked by a series of  
events which led him to  
become one of the great  
thinkers of his time.  
His early years were spent  
in the study of the Bible  
and the works of the great  
writers of the English  
language. He was a  
man of great intellect  
and great energy, and  
his life was a constant  
struggle for the truth.
